**RULES AND REGULATIONS GOVERNING THE  
PROPAGATION AND SALE OF CITRUS  
NURSERY STOCK IN ALABAMA**

Adopted August, 1920.

**RULE NUMBER 27.**

In order to standardize the Satsuma Orange Industry in the State of Alabama, the State Board of Horticulture has promulgated the following rules and regulations:—

1—The Alabama State Board of Horticulture shall have on record orchards located in the Citrus Belt of Alabama, showing the variety, age and condition of the trees. Any individual, firm or corporation desiring to propagate Citrus Plants may apply to the State Board of Horticulture of Alabama for information as to where orchards can be located having trees of the recognized standard varieties of Satsuma Oranges suitable for propagating purposes and from which bud-wood may be obtained.

The State Board of Horticulture shall furnish applicants with the proper blanks to be used in obtaining bud-wood. After such bud-wood has been cut the blanks are to be filled in showing the variety and the number of buds obtained. Said statement shall be certified to by the owner of the orchard and promptly forwarded to the State Board of Horticulture.

2—Any individual, firm or corporation desiring to grow Citrus Plants for market or otherwise, is hereby required to file with the Alabama State Board of Horticulture a plat of the Nursery showing each sub-division thereof giving the number of each sub-division. It is also required that the State Board of Horticulture be furnished with a statement giving the variety growing in each block or subdivision.

3—It is further required that every package, box or bundle of Citrus Plants sold within the State of Alabama or outside the State by Alabama Nurserymen shall be accompanied with a certificate bearing the name of the Nursery, the name of the Variety, the number of the block in the nursery where the trees were taken from for this particular shipment and the name of the orchard where the bud-wood was obtained. This tag certificate shall also bear the signature of the Executive Officer of the Alabama State Board of Horticulture.

In case of mis-representation or false statements relative to the foregoing, the Alabama State Board of Horticulture will revoke the license for such individual, firm or corporation.

These rules shall take effect November 1, 1921.
